DEPARTMENT OF
LOCAL GOVERNMENT AND URBAN DEVELOPMENT
Jatiya Kabi Kazi Nazrul Islam University Trishal, Mymensingh-2224, Bangladesh

Date: 27 July 2026

TO WHOM IT MAY CONCERN

This is to certify that **Md. Mahfuz Haque**, a student of the 4th Year, 2nd Semester, Department of Local Government and Urban Development, Jatiya Kabi Kazi Nazrul Islam University (JKKNIU), Trishal, Mymensingh, has been working under my direct supervision as a **Research Assistant** since July 2025, in the Department of Local Government and Urban Development, JKKNIU.

During this period, he has been engaged in the following ongoing research projects under my supervision:

1. **Trends in Environmental Design and Crime Deterrence: A GIS-Based Analysis of Mymensingh** — applying GIS-based spatial analysis to examine the relationship between urban environmental design and crime deterrence patterns.
2. **Spatiotemporal Dynamics and Predictive Modeling of Traffic Accidents Across the Bangladesh Road Hierarchy** — developing a predictive geospatial framework using GIS and Machine Learning approaches (Random Forest, XGBoost, CNN-LSTM) to analyze traffic accident patterns across the national road network.
3. **A Comparative Analysis of Clinical Waste Management Systems: A Mixed-Methods and Machine Learning Approach** — assessing clinical waste management efficiency and environmental risk using GIS spatial analysis and machine learning techniques.

Throughout his tenure, Mahfuz has demonstrated exceptional discipline and commitment, consistently prioritizing and completing his assigned work with diligence. He has shown a genuine and sustained enthusiasm for the field of Urban Development and Planning, and has distinguished himself as one of the most capable researchers in his session. In coursework and group projects alike, he has repeatedly taken on leadership roles, guiding his teams effectively while maintaining strong respect and consideration for his peers, often accommodating others' inconveniences without complaint.

He is highly proficient in quantitative analysis methods, including R programming, QGIS, ArcGIS Pro, Python, and foundational Machine Learning techniques, as well as qualitative data analysis using NVivo. He is a flexible, adaptable individual with a genuine and continuing thirst for learning and knowledge.

I wish him continued success in his future academic and professional endeavors.

Sincerely,

27.07.2026

TO WHOM IT MAY CONCERN

This is to certify that **Md. Mahfuz Haque**, a student of 4th Year, 2nd Semester, Department of Local Government and Urban Development, Jatiya Kabi Kazi Nazrul Islam University (JKKNIU), Trishal, Mymensingh, has been working under my direct supervision as Teaching Assistant since October 2024, and subsequently as Research Assistant since July 2025, in the Department of Local Government and Urban Development, JKKNIU.

During this period, he has made the following contributions:

1. Conducted a training seminar for students on the practical application and data analysis techniques of NVivo (qualitative data analysis) and ArcGIS Pro (geospatial analysis) software.
2. Served as both Qualitative and Quantitative Data Analyst on the UGC-Funded Research Project titled "Consequences of Studying Unwanted Subjects at Public University in Bangladesh," funded by the University Grants Commission (UGC), Bangladesh.
3. Presented an independent research project titled "Integrating Crime Prevention Through Environmental Design (CPTED) in Enhanced Urban Safety in Bangladesh: A Post-August 5th, 2024 Analysis in Mymensingh District" at the 3rd Research Fair - 2025, JKKNIU.
4. Assisted Master's-level students under my supervision with their research design.
5. Served as a Data Analyst in other funded research projects under my supervision.

Throughout his tenure, I have found him sincere, diligent, and academically capable, with a strong aptitude for research and data analysis.

This certificate is issued upon his request for necessary purposes.

I wish him continued success in his future academic and professional endeavors.
